

Welcome to Watton-at-Stone Methodist Church

We hope you enjoy your visit to Watton-at-Stone Methodist Church. We aim to give a warm welcome to anyone coming for the first time to the church, and plenty of support on every visit.

If you need anything, please contact our minister, or come and have a chat with one of us.

Every Sunday morning at 10.45am we have a service with hymns and readings from the Bible, usually a sermon (of about 10 minutes) some prayers and an offering, for those who feel able to contribute.

We have our own minister, but lay people (local preachers) from around Hertfordshire and Essex also come to lead our services, bringing variety in their style of delivery.

Adults and children are welcome to come to our services...

But Sunday morning isn't all we do.

Please turn over to find out more...

Our History

Watton-at-Stone Methodist Church in the heart of the High Street was built in 1891 and the first service took place on Wednesday October 14th 1891.

The plot of land on which the church stands was purchased in 1890 for £130.00 and Methodists have been worshipping in this place ever since.

In 2011 we extended our premises to provide better kitchen facilities, disabled access and toilets. We pray that we have made this a welcoming place for all.

Please come and join us!

Who we are...

Through the life of our church and its many activities, we seek to share the good news of the love of Jesus.

We welcome people of faith, all who seek faith and friendship and all who doubt.

Working with others...

Watton Methodist Church works with the Parish Church in the village to serve the community. We are also one of sixteen churches that make up a group with other Methodist Churches, United Reformed Churches and Anglican Churches called HAEBEA (Herts and Essex Border Ecumenical Area).

If you would like to know more about any of these things, or have any questions about the Christian faith, please contact our Minister or Lay Pastor.
