Dear neighbours and friends,

On Easter Sunday morning at 10am I/we/our household would like to take part in a special initiative called **Sing Resurrection**. As you will no doubt know, Easter Sunday is a very important day for Christians and this year will be the first time in history that millions of Christians will not be allowed to go and sing the Easter hymns and songs in their churches. However we have been encouraged to follow the example of Italians singing from their balconies, and this year sing them from our front doors or gardens which we hope will be a positive experience for everyone at this difficult time. **Sing Resurrection** is aiming to be **a counter-infection of joy and hope** for Easter Day.

You are welcome to join in with us if you would like to. The words of the two hymns can be found on this website: <https://ctbi.org.uk/sing-resurrection/> Also Premier Radio is going to play the two hymns at 10am. See <http://www.premierchristianradio.com/radioplayer> <https://www.premierchristianradio.com/About/How-to-listen>

The whole event will probably take no more than 7 minutes. If you want a good lie-in on a Sunday morning, let us know and we'll either tone it down or take our permitted daily walk and sing in the park/countryside nearby!

Do get back to me/us if you have any questions or concerns.

Even though the circumstances are challenging for us all, may you still enjoy a Happy Easter.
